IMPORT OF SUGAR INTO MYSORE STATE.

Some instances of import of sugar into the State by merchants have come to the notice of Government and their action constitutes a breach of the Provisions under the Sugar and Sugar Products Control Order, 1949. With a view to prohibiting such unauthorised import of sugar into the State, sugar has been now included in the Schedule to the Food-grains Import Control Order, 1949. The effect of this Order is that sugar manufactured by any process including sugar made in Vacuum Pan Factories from cane or gur or palmyrah jaggery as well as khandasari sugar, sugar candy (misri), bura and powdered jaggery (Mogadam Sugar) shall not be imported into the State except under a Permit issued by the Director of Food Supplies in Mysore, Bangalore.

There has been some misconception in regard to the position of European British subjects residing in India after the adoption of the constitution of the Indian Republic on the 26th January 1950. With a view to remove this misconception, the position of this class of persons is clarified as noted below:—

Persons who have been registered as citizens of the United Kingdom are not foreigners for the purposes of the constitution. Citizens of the United Kingdom as well as of other countries in the Commonwealth will not, therefore, be deemed to be foreigners. They will be accorded the same treatment as hitherto, that is for the purpose of entering India. Such persons will be required to be in possession of national passports valid for entry into India, but will not be required to obtain visas, or Residential Permits for stay in India as foreigners.

The deposits of the next highest bidders will be retained until the question of confirmation of the sale is decided.

Such losses will be recoverable as an arrear of land revenue.

10. If the sale is not confirmed by the authority concerned all moneys paid will be refunded to the party.

11. Within fifteen days of the intimation of the confirmation of the sale the successful bidder shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer on a stamped paper of proper value procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount, whichever is less, or the due fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit. 2. The auction will commence at 2 P.M. and if it is not concluded on the same day, will be continued from day-to-day at the same hour until concluded.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (1) produces in the form prescribed by Government, in regard to his solvency and its extent, or an exchange certificate as provided for in clause 6, and (2) deposits also with the officer holding the sale a sum of Rs 200 which must, except under unavoidable circumstances, be in the form of cash or currency notes.

5. Bidders who are not residents of Mysore State and who do not possess unencumbered property in Mysore State at least to the extent of the estimated value of the lease unit for which they intend bidding should, before they are allowed to bid, either deposit with the officer conducting the sale half the estimated amount of the lease, to the nearest hundred rupees as earnest money or they should produce a local surety fully solvent to the extent of the highest bid likely to be had at the conclusion of the sale. The bond to be taken from the surety should be on a stamp paper, the stamp payable being governed by the provisions of the Stamp Act. In cases where the foreign bidders deposit half the estimated amount of the lease, the usual deposit of Rs. 200 is unnecessary, and in cases where they produce a local surety the usual deposit of Rs. 200 should also be recovered from them. In the former case the remaining amount of the lease must be paid, before the expiry of half the peroid covered by the lease in two equal quarterly instalments when the lease is for one year, and in two equal half-yearly instalments when the lease is for two years.

6. The highest bidder shall deliver his solvency certificate to the officer conducting the sale and get in exchange, if he so desires, a certificate signed by the latter which will be sufficient authority for him to bid at auction sale in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale; and in case the party named therein happens to be the highest bidder again he may obtain in lieu thereof, if he so wishes a fresh exchange certificate for his further use. The exchange certificate will contain all the particulars found in the Amildar's certificate, and in addition, details of purchases made in the sales of other divisions as well as in the one, in which the exchange certificate is granted. The deposits of unsuccessful bidders will be returned immediately after the sale.

7. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder, subject to the confirmation of the Chief Conservator of Forests who at his discretion, may accept or reject the highest or any other bid, without assigning any reason therefor.

8. The highest bidder shall immediately after the close of the sale, credit into the Government Treasury, one-quarter of the total sale amount including the deposit already made together with the local, railway and other cesses, if any, on the full lease amount at the rate prevailing in the district. In default, the deposit already made will be forfeited and the right resold. Such resales will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by the resale, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

9. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party. In case the sale is not confirmed in the name of the highest bidder the next highest bidder may be called upon to take up the lease and in that case he shall abide by all the conditions prescribed herein for the highest bidder. The security deposits of the next highest bidders will be retained until the confirmation of the sales is decided.

10. Within fifteen days of the intimation of the confirmation of the sale, the successful bidder shall execute a separate agreement at one for each unit with one or more sureities to the satisfaction of the District Forest Officer of the District concerned, on a stamped paper of the value of ten annas procurred at his own cost, and also furnish security *deposit of* Rs. 500 or one-quarter of the sale amount whichever is less, for each unit, for the fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit. Recovery of the security deposit will be waived if the full sale amount together with cessess is paid in advance. In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled, all moneys already paid forfeited to Government and the right resold at the defaulter's risk. He shall have no claim to any surplus accruing from such resale and he shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Act. After executing the agreement and furnishing the security, the successful bidder shall, before entering on the [illegible] bark, obtain from the District Forest Officer

a permit in the prescribed form authorising him to commence the bark collection.

NOTE.—(1) The solvency and the respectability of the sureties should be proved to the satisfactions of the District Forest Officer and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

(2) A sample form of the agreement may be seen at any of the District Forest Offices.

11. The balance of the sale amount shall be paid in three equal instalments at intervals of four months as follows:—

First instalment on or before 1st November 1950.
Second instalment on or before 1st March 1951.
Third instalment on or before 1st July 1951.
or the next working day if 1st July 1951 is a General Holiday.

If a default occurs in the payment of any instalment or interest on the due date the contract shall immediately stand suspended and all produce collected and in storage during such period of suspension shall be forfeited to the Government. In spite of such suspension, if the instalments and interests overdue continue to remain unpaid for a period of one month, then the contract shall be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom which shall be recovered as an arrear of land revenue, under Section 79 of the Mysore Forest Act or any other law for the time being in force. Interest at the rate in force for the time being, will be levied on all arrears of lease amount which are permitted to be paid after the due date.

12. No concession of any kind will be shown to the contractor for loss on any account.

13. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the Chief Conservator of Forests. In the case of mere forfeiture of the security deposit amount, the difference will be made good immediately by the contractor, and in the case of the cancellation of the lease, the right will be resold, the lessee not being entitled to moneys already paid by him or for the subsequent excess realisations by resale, the deficit, if any, that may result from such resale, being recovered from him as an arrear of land revenue.

14. Bidders are warned that no transfer or subletting of leases will be permitted.
